

ZKC Operation Raincheck

Receive a briefing on air traffic control and the Kansas City ARTCC. Tour the weather service unit and traffic management unit. Pilots will have the opportunity to control air traffic in our simulation lab and spend time plugged in with a controller working live air traffic. Wings credit available. This is scheduled monthly, so if this one fills up, stand by for more!

Directions: I-35 at Exit 218. East on Santa Fe (135th St.) South on Clairborne Rd. East on Rogers Rd. Visitor Parking on west side of complex.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
